2. Decision on Winter 2012 Programme & Spring 2013

- **General Discussion about choice of pieces:** Orchestra is based in Isle of Skye & Lochalsh & consider a wide range of pieces to attract the audience. As there are a lot of opportunities for people to hear "traditional" music – SLO to continue to offer an alternative, – look at popular, well know classics, pieces we can play with the Skye & Lochalsh Schools Orchestra – build on the excellent work of Jenny's and the great rapport Rick had with the children taking part in the 1812 Overture in Sleat.
